

Gregg Lee

Dear Gregg,

Tell me this year wasn't a clincher. When you look back on this remember its 8:30 in the morning so hear with me. I guess you & I became really close this last year, thank God, I don't think I would have been able to survive the jets without you. We'll never really fall away, not after the "pair tree" and all the partying. You have to keep in touch and we'll just keep flipping each other out.

See you in that big hearth in the sky and we'll make plans for a long coffee break.

Ken

Dear Gregg,

Did I love partying with you down this long road. "Does the sun rise in the East?" What can I say brother? With all the memories we've packed into less than 2 years can't wait for whatever comes next!

So here I sit in "Second Half" at the final meeting of the Paul II Breakfast Club, reflecting, reminiscing and feeling generally mellow and so happy this chapter is ending. You know I couldn't have done it without a little help from my friends. You've been the most help and the best friend.

What can I say? You know.

Through whatever lies ahead, may the Pair Tree live forever. My only wish for the future is that love and happiness follow you and satisfaction may someday find you.

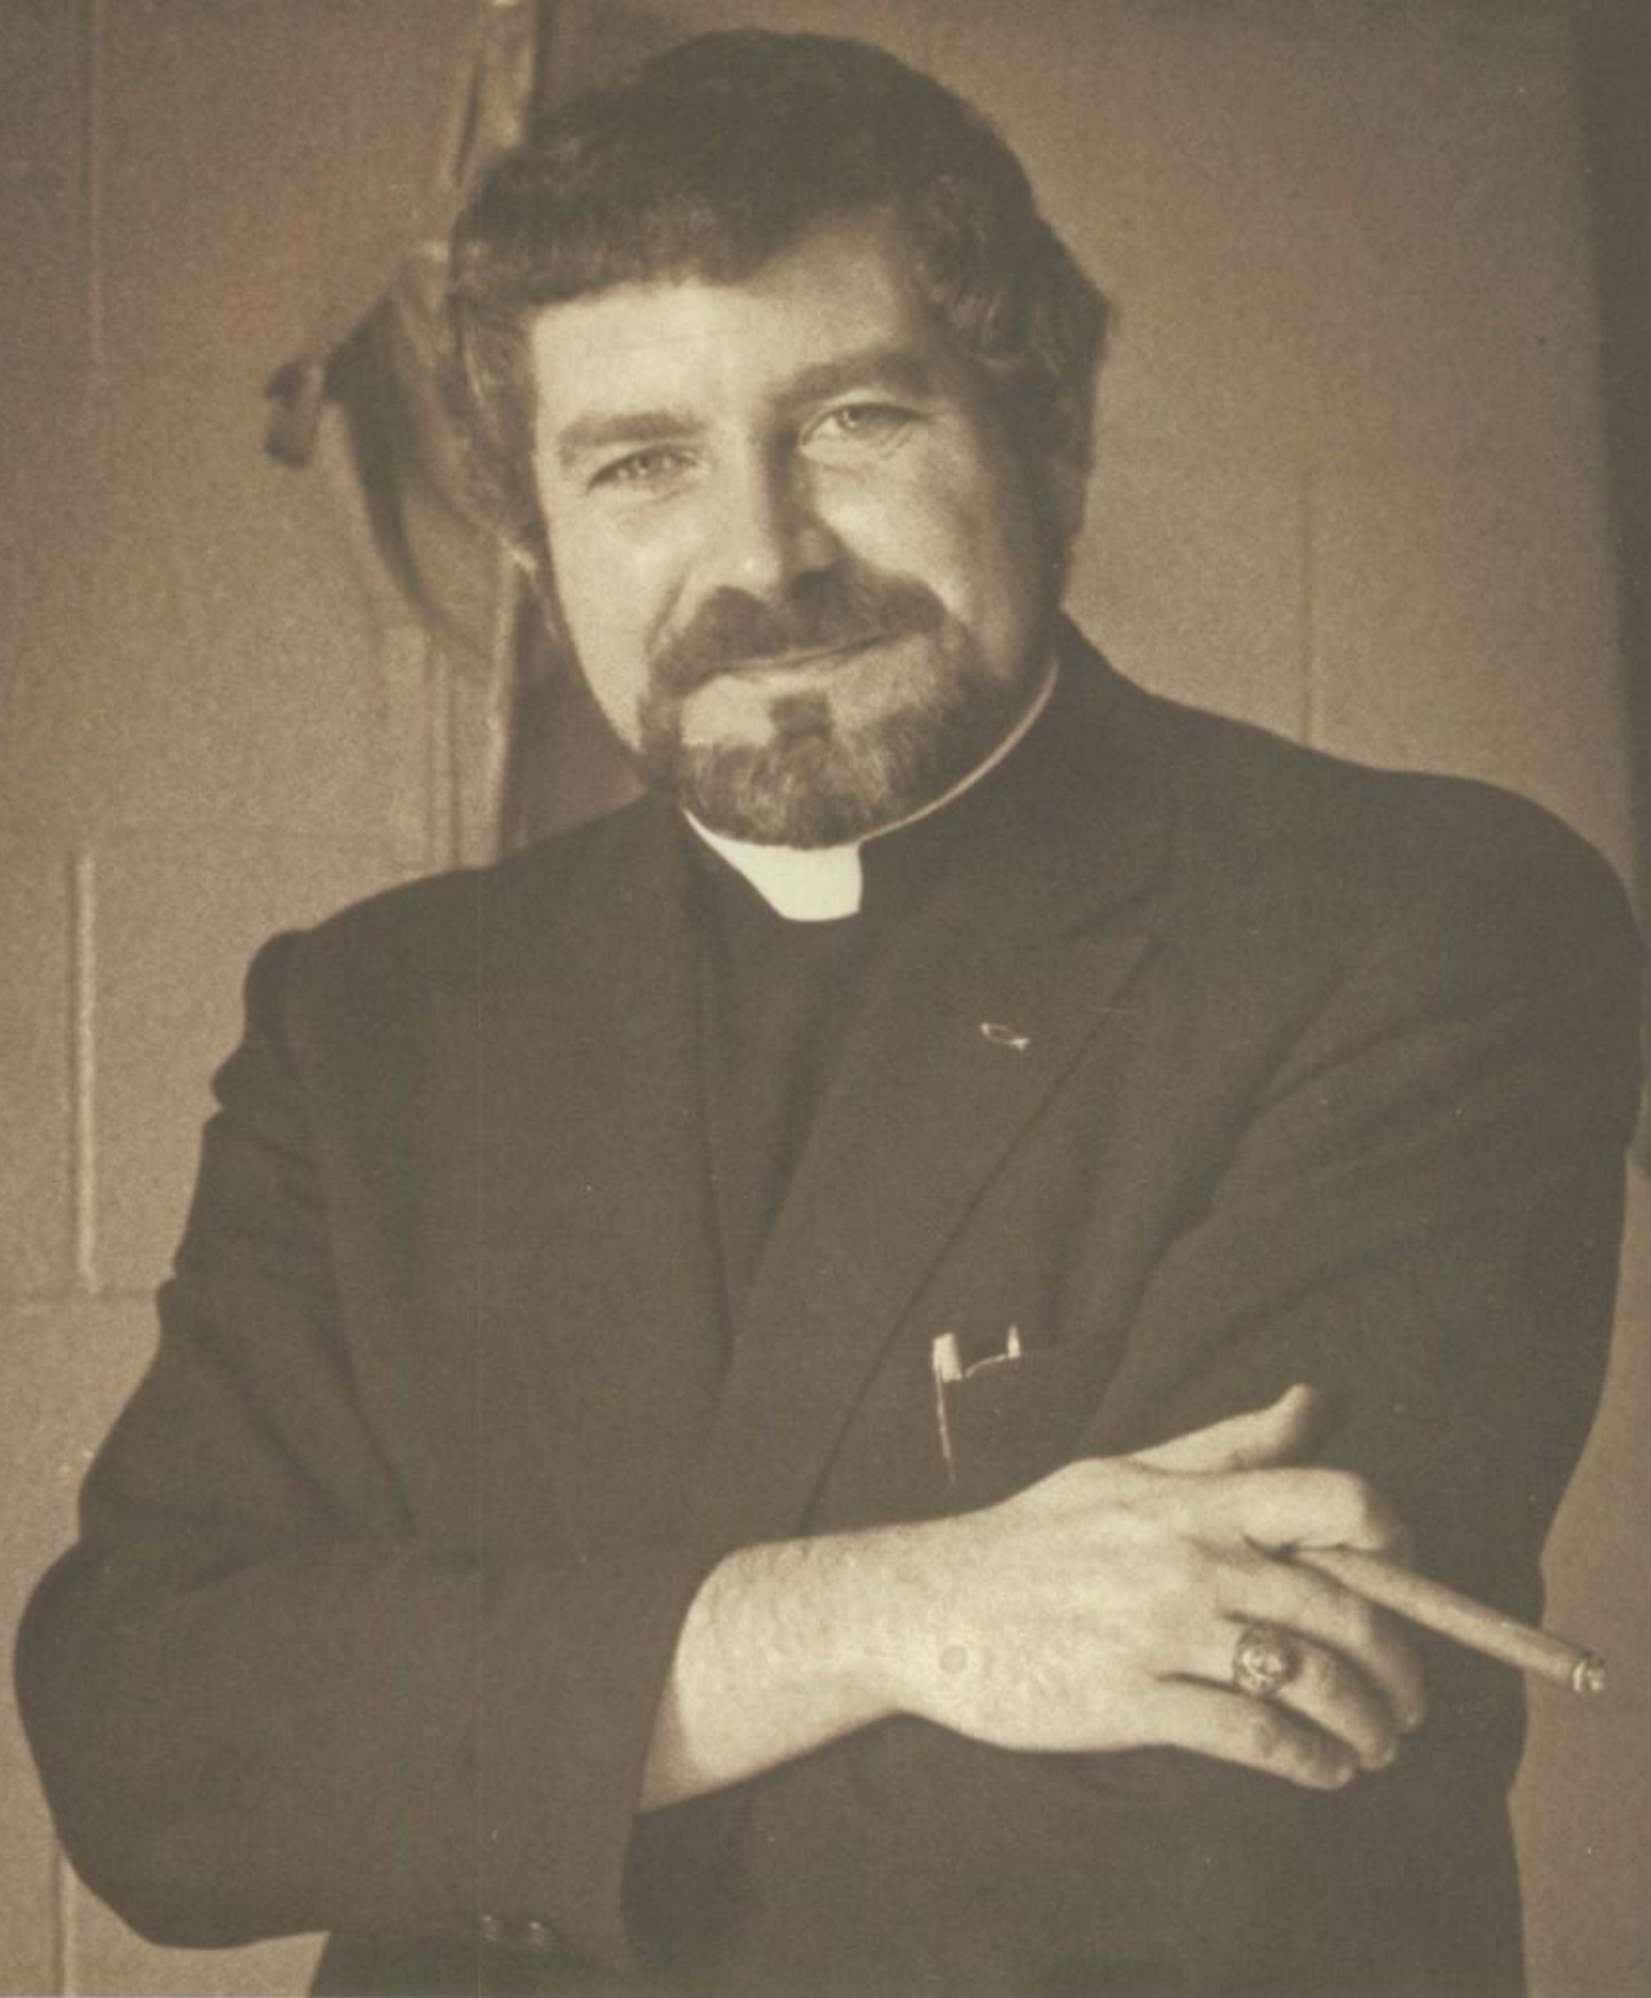

Love, Lori

Dear Greggy,

Remember all the fun we had on our picnics  
and in the dark room. Remember just the good times  
not bad ones if there was any. We all love you  
and will miss you very much. Hope to see you  
again soon.

Love,  
Jackie.

*For as long as it exists Paul VI High School will be known as the creation of Father Thomas Suchon. The mark of his humanity, the warmth of his heart, the gladness of his spirit and the genius of his vision were the mortar which cemented together all the unique facets of this school's character.*

*That which has been created will long love and remember its creator. It is for this reason that we, the graduating Class of 1975, dedicate this yearbook to the Reverend Thomas J. Suchon.*
